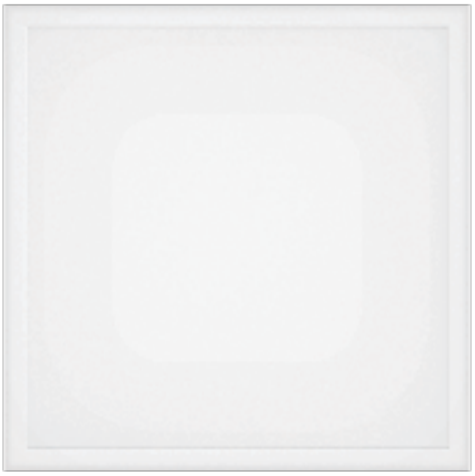
Euri Lighting

LED EPN22-2050sem-2

5000K
CCT

Class: LED Panel 2 ft. x 2 ft. Class



Product Description

LED EPN22-2050sem-2 is thoughtfully designed for superior illumination, ultimate efficiency, and easy installation. This 2x2 LED panel offers an integrated LED driver and backup battery for a total of 90 minutes of emergency backup illumination. The backup battery is both self-testing and easily replaceable. Double-sided welding provides a seamless, polished frame and PMMA material guarantees perfect light output without the risk of yellowing. Available in flicker-free Cool White (5000K), this fixture LED panel delivers 4000 lumens with just 40 watts. Look for EPN22-2040sem-2 for Bright White (4000K) or EPN24-2040sem-2 for 2x4 size.

Estimated Energy Cost: $4.81 per year

***Note:** Design, features and specifications subject to change without notice. Some features may not be available on all models.
